2. A major comprehensive research institution ranked nationally in the top 20 public universities at the University of Kentucky.
3. A premier, nationally recognized metropolitan research university at the University of Louisville.

5. A comprehensive community and technical college system.
6. An efficient, responsive, and coordinated system of autonomous institutions that delivers educational services to citizens in quantities and of a quality that is comparable to the national average.

FIVE questions to gauge our progress

1. Are more Kentuckians ready for postsecondary education?
2. Are more students enrolling?
3. Are more students advancing through the system?
4. Are we preparing Kentuckians for life and work?
5. Are Kentucky's communities and economy benefiting?
